## Sheridan Orchid Growers

We offer the following well established and growing plants. Unless otherwise stated 4 to 5 bulb plants are priced at \$5.00; larger ones at \$7.50 to \$10.00; smaller ones at \$2.00 to \$4.00.

### *Barkeria spectabilis*

Several dainty white and pink spring blooming flowers 2 to 3 inches across.

### *Lycaste aromatica*

Many egg-yellow, spicy, single-stem blossoms. Very floriferous. Need abundant water while growing. Spring.

### *Lycaste skinneri*

Large blossoms, white with raspberry blush in throat and petals which vary in dept of color. Fall blooming.

### *Odontoglossum grande*

Several large chocolate and yellow flowers 5 to 8 inches across. Fall blooming. Often called "baby orchid" from the Chinese or Dutch doll-shaped column.

### *Odont. rossii*

Proportionally large white and spotted flowers on characteristically small-bulbed plants. Winter.

### *Odont. bichtoniense*

Long sprays of flowers. Fall and winter.

### *Odont. ure-skinneri*

Long spikes of lavender-lipped spotted flowers 1 to 2 inches across. Very floriferous. Spring.

### *Oncidium leucochilum*

Long sprays of lasting brown and yellow blossoms flowering at various times of the year.

### *Oncid. wentworthianum*

Large bulbs which throw strong spikes of yellow flowers during the summer.
